The GEO Group, Inc. (GEO) has gathered correctional facility disturbance information for those facilities operated by GEO in the United States since 1998 – meeting the definition of “criminal justice facility”, i.e., a place of total confinement for convicted felons where no felon is allowed off the premises without the supervision of a sworn peace officer.

GEO has identified forty (40) “criminal justice facilities” that we have operated in the United States since 1998. Of the forty (40) facilities, nine (9) of those facilities are no longer operated and managed by GEO. The identified facilities are listed below by state, however, the attached documents for each facility have been provided in alphabetical order for your convenience.

8/6/04	Several inmates assaulted 14 inmates during a planned assault. The assailants were identified as members of the "Paisas" and the victims as members of the "Surenos." The assaults occurred simultaneously at several different locations throughout the facility and the assailants used sharpened instruments, can lids, and combination locks in socks as weapons to assault their victims. Eight of the 14 inmates assaulted required outside medical treatment. Of the 8, two were treated and released, two were kept overnight for observation, and one was air lifted to a hospital in Lubbock, TX but was returned the following day. There was no force used by staff and no injuries to staff. The incident resulted in a 3-day lock down of the facility.

RIOT or STRIKE – Riot or Strike that took place on facility grounds

Date	Description of Correctional Facility Disturbance
4/26/04	The entire inmate population (approx. 2100) engaged in a food strike and refused to partake of any meals. The chief complaint of the inmates centered on changes related to food preparation. The facility initiated a lock down and identified the instigators. While conducting interviews on a dorm the inmates assigned became disruptive and refused orders given by staff. The inmates refused to allow any inmate to be removed from the dorm for interviews. The CERT team was assembled for a show of force and the inmates retreated to the back of the dorm and began verbally challenging staff. Chemical agents were deployed and the CERT entered the dorm and restrained the inmates. Once the dorm was decontaminated all the inmates were placed back into the dorm. After interviews were conducted to address the inmates concerns normal operations resumed without incident.
6/30/2005	Approximately 150 inmates in a housing dormitory refused to rack-up due to complaints about a correctional officer. Compliance was obtained through a show of force. The housing unit was locked down for four days while administrative staff interviewed the inmates.
2/26/2008	Approximately 14 inmates began flooding the special housing units by using objects to obstruct the drainage in their toilets because they were scheduled to be transferred from the facility. No use of force was issued.

RIOT or STRIKE – Riot or Strike that took place on facility grounds

Date	Description of Correctional Facility Disturbance
04/10/2004	Approximately forty Inmates (level 2 Mexican Nationals) began fighting in a dayroom. Investigation revealed that they were from rival gangs in Arizona (Border Brothers/Paisa). No serious injuries were sustained.
04/11/2004	Ten Mexican National (medium custody) Inmates began participating in a work stoppage and hunger strike. This action was due to Level 2 minimum custody Inmates arriving. These Inmates are not housed at the same facility in Arizona. Through interviews, the incident was resolved and all Inmates resumed working and eating on 4/12/04.
04/21/2004	All Black Inmates housed in C Building (minimum custody) began a work stoppage because a Black Inmate from their housing unit had been placed in detention. Investigation revealed that four of these Inmates had threatened the rest with physical harm if they continued to work. These four were placed in the Special Housing Unit and the rest returned to work.
04/22/2004	Forty-three Mexican National Level 3 (medium custody) Inmates began destroying property in the dayroom by breaking windows, TV's, toilets, etc. CS Chemical Agents were deployed and the disturbance was quelled in less than 2 minutes. No serious injuries were sustained. Property Damage was minimal. The incident was a result of the Inmates being angry over being moved from Arizona to Texas.
